**ACTION TAKEN FOR STUDENT FEEDBACK (2019-2020)**

Based on feedback analysis of students in the year 2019-2020, students are satisfied with the classroom atmosphere and laboratory conditions. However some complain about the hostel facilities and transportation system. Thus the college decided to improve the hostel facilities. Also provided additional college bus service for the students as well as for teachers. Based on the analysis it is found that the main complaint students found about the canteen facilities. Thus the management decided to construct a new canteen for students and faculty members.

## ACTION TAKEN FOR FACULTY FEEDBACK (2019-2020)

### FEEDBACK ANALYSIS OF FACULTIES IN THE YEAR 2019-2020

FEEDBACK ANALYSIS OF FACULTIES IN THE YEAR 2019-2020

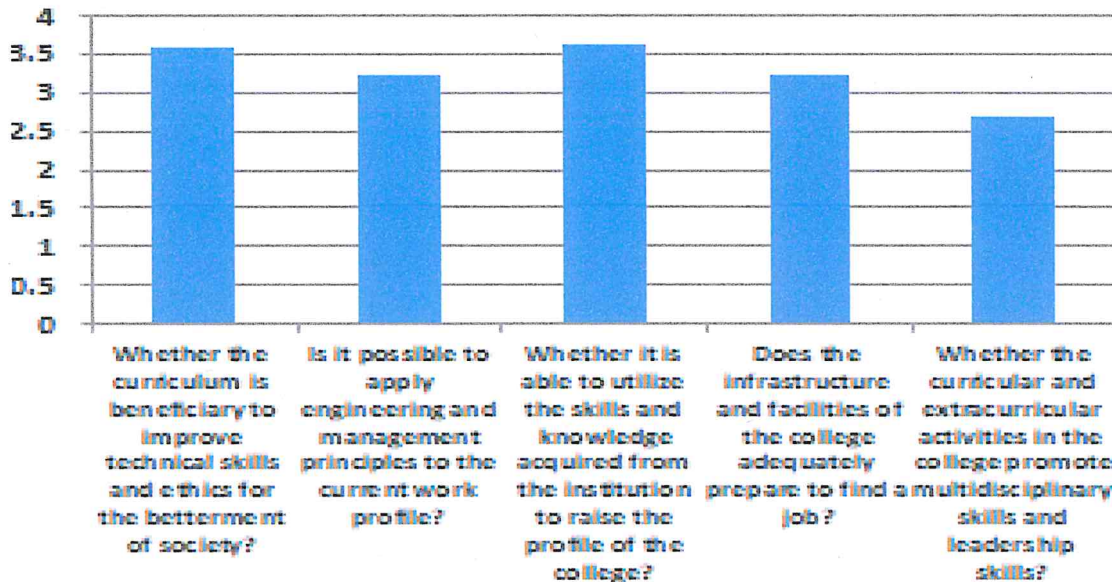

### ACTION TAKEN FOR FACULTY FEEDBACK

The majority of faculties feel that the syllabus is suitable and need-based. 95% of faculty members say that the aims and objectives of the syllabus are well-defined and clear to students and faculty. However major faculties say that the course/syllabus has less balance between theory and application. So the college incorporated industry-based Add-on courses to apply their theoretical knowledge to real-world engineering challenges. Add-on courses planned to conduct in the next academic year were python, Machine learning, and Bio- medical instrumentation for students to develop their knowledge in the respective areas. Also, they point out that the nature of the organization was poor to achieve the organizational objectives. So to improve it faculties are also included in the decision-making.
