ACTION TAKEN OF FACULTY FEEDBACK IN THE YEAR (2018-2019)

As per the faculty analysis, the ICT facilities needed to be improved. So, IJET has decided to provide timely technical support to address any issues or challenges faced by faculties and students while using the ICT facilities.

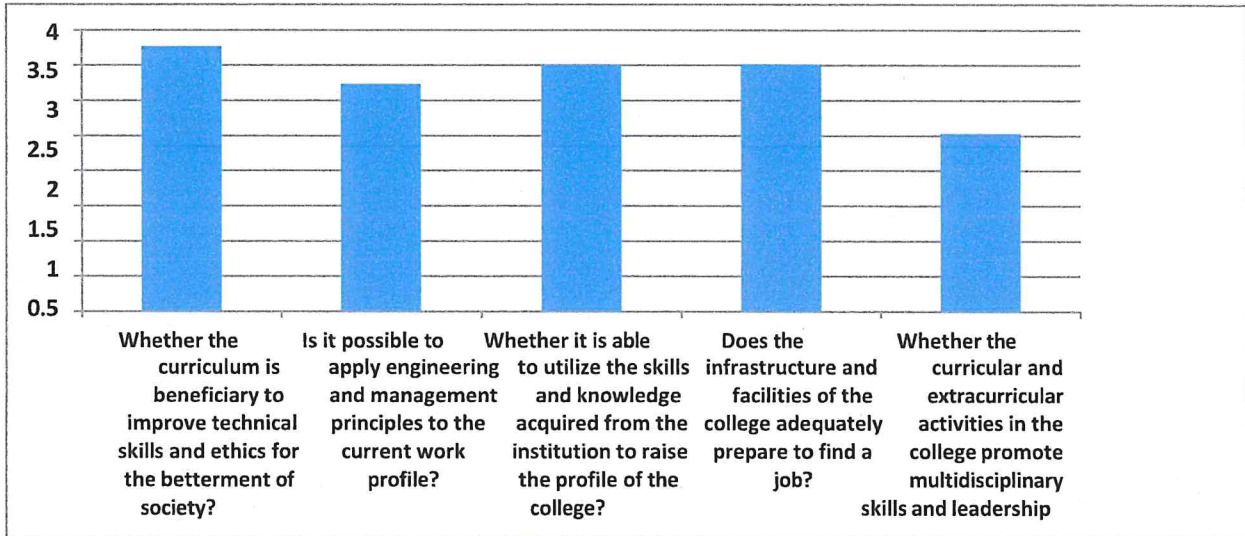

The balance between theory and application was not required up to the standard. So the college has decided to conduct career fairs, and industrial visits and include internships in the curriculum

ACTION TAKEN FOR ALUMNI FEEDBACK ANALYSIS (2018-2019)

According to the alumni feedback analysis, some alumni members were not satisfied with the curricular and extracurricular activities. IIET has introduced project-based learning where the students work on cross-disciplinary projects that require knowledge from different subjects. It has been decided to conduct a webinar on the Effective use of IT for Professional Activities. The webinar will help the students to streamline their work processes, enhance productivity, and to improve communication skills.
